WINTER Camp Packing List Guide (Adapt to conditions and your Scout)

Equipment required: (**Put your name on EVERYTHING!**)

- negative rated sleeping bag (-17 to) nights will be cold
- spare blanket or second, slightly smaller sleeping bag for inside first bag
- Pillow
- Thermo-rest type underpad (not an air mattress, you will be cold)
- ground pad/reflective ground cover for extra warmth
- Toiletries (toothbrush, toothpaste, hairbrush, deodorant, Kleenex/lip balm/face cloth and small towel. Include sunscreen and sunglasses. Yes, even in the winter!
- Flashlight and/or headlamp with extra batteries
- Camp Dish Set (plate, bowl, Cup/mug and utensils) in a mesh bag with a carabineer
- 2 water bottles
- day pack/small backpack

CLOTHING

- Wear your full uniform to camp
- Underwear, several pairs of socks (bring extra in case of wet feet). Wool is preferred for cold weather. Keeping dry is the key to staying comfortable, even if it's wet and cold around you. Bringing extra socks means you can help keep your feet warm and dry – IF you actually change your socks! Take a minute to do that and you'll keep your feet happy!
- long underwear for layering
